### Forget The Ifs

On his 84th birthday, pianist Artur Schnabel had some sage advice for contemporaries of all ages.

"One thing you must take seriously," he said. "You must get rid of the if's of life. Most people would tell you, 'I would be happy — if I had a certain job, or if I were good looking, or if a certain person would marry me.' There isn't such a thing. You must behave unconditionally, without the if's."

Taking a good look at many of the problems people have confirms Schnabel's observation. The prospects for happiness and progress would be much greater if the if's were not so abundant. — Shreveport (La.) Journal

### 310 Miles Per Hour

We noticed an advertisement in the Wall Street Journal from Hitachi America, Ltd., which announced the "Floating Train of the Future." The speed of the train would be in excess of 310 miles per hour. In other words, New York would be less than four hours away from Winter Haven, including stops.

Unlike the train that travels on rails or on air, it creates a magnetic field so that travel is silent. Its driving system does away with the conventional traction motor and relies on a "linear motor." It is a Japanese invention and bids well to revolutionize the entire railroad concept as we know it today. Hold your hats, here we go, — over hill, over dale. — Winter Haven (Fla.) Daily News-Chief

### Top Three

Listening to the radio, we get the impression that although thousands of songs are written each year, only three are popular on any given day. — Aiken (S.C.) Standard

### A Long Time Ago

"Let me live in my house by the side of the road, And be a friend to man." So implored the poet, with deference particularly to a spot where the races of men go by. But that was a long time ago — before the races used the going by to dump beer cans, et cetera, in his front yard. — Nashville (Tenn.) Banner

## New Tomato Plant to Be Available

A new tomato "Traveler", well adapted to South Arkansas, has been released by Dr. Joe McFerran and Dr. M. J. Goode of University of Arkansas division of Agriculture. The following is a report on this tomato by Cecil M. Bittle, Assistant Director in Charge, of Southwest Branch Experiment Station.

Traveler is a pink tomato, resistant to fusarium wilt (race 1). This wilt is prevalent in many of our gardens in South-west Arkansas and can live in the

## Marijuana, LSD Seized in Spa Raid

HOT SPRINGS, Ark. (AP) — Seven persons employed by the Derby Dinner Theater here were arrested in a raid Sunday morning at the theater's living quarters.

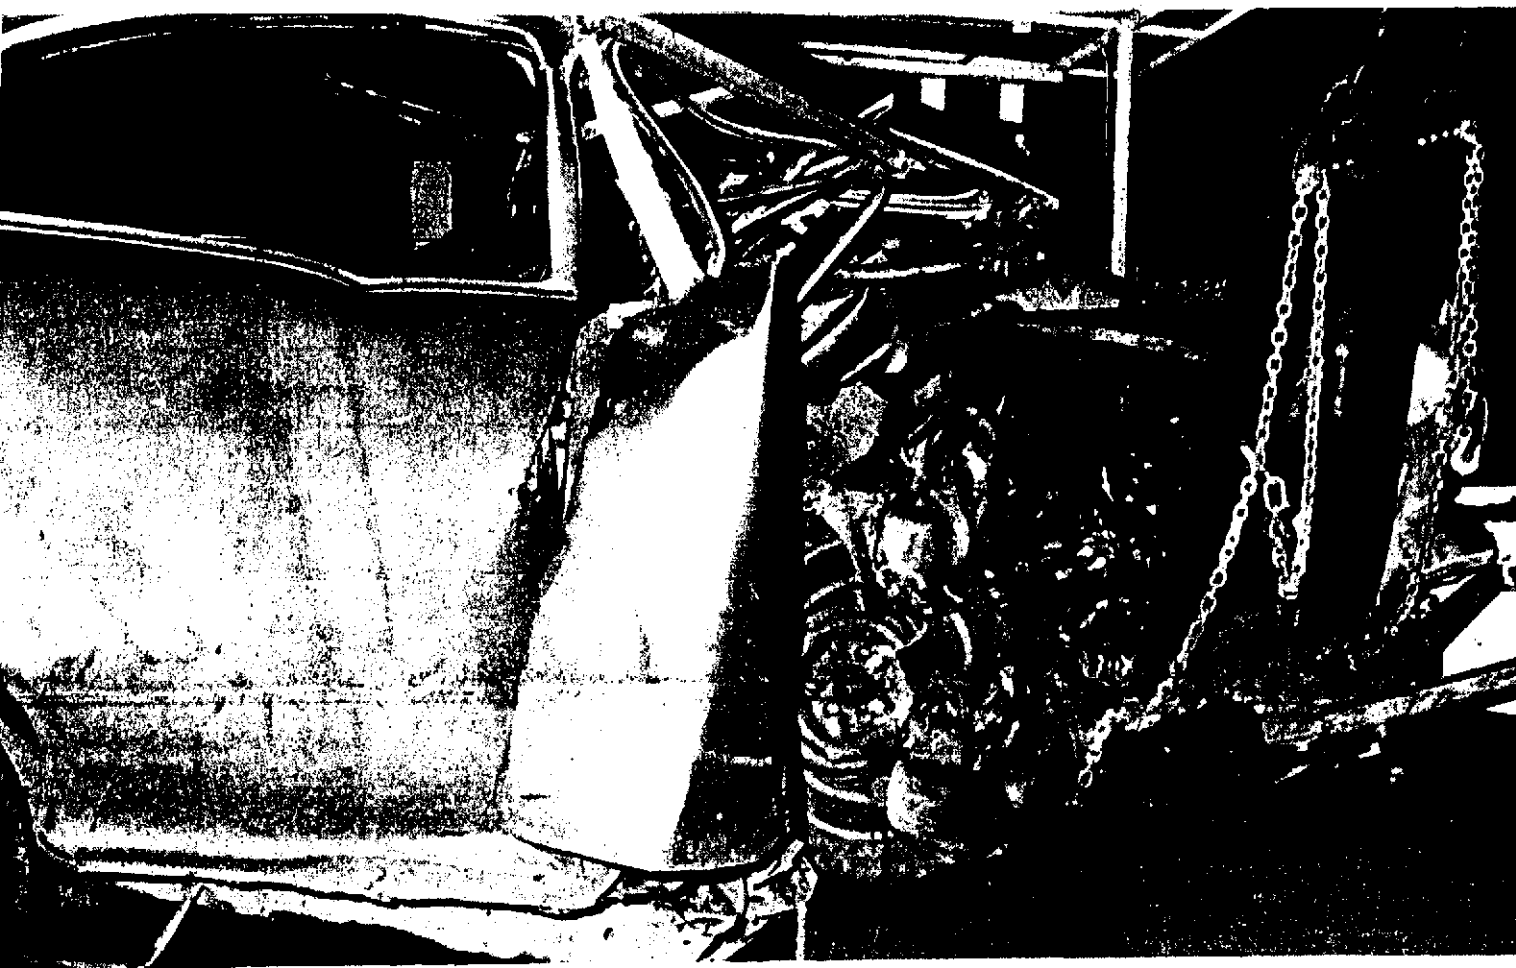

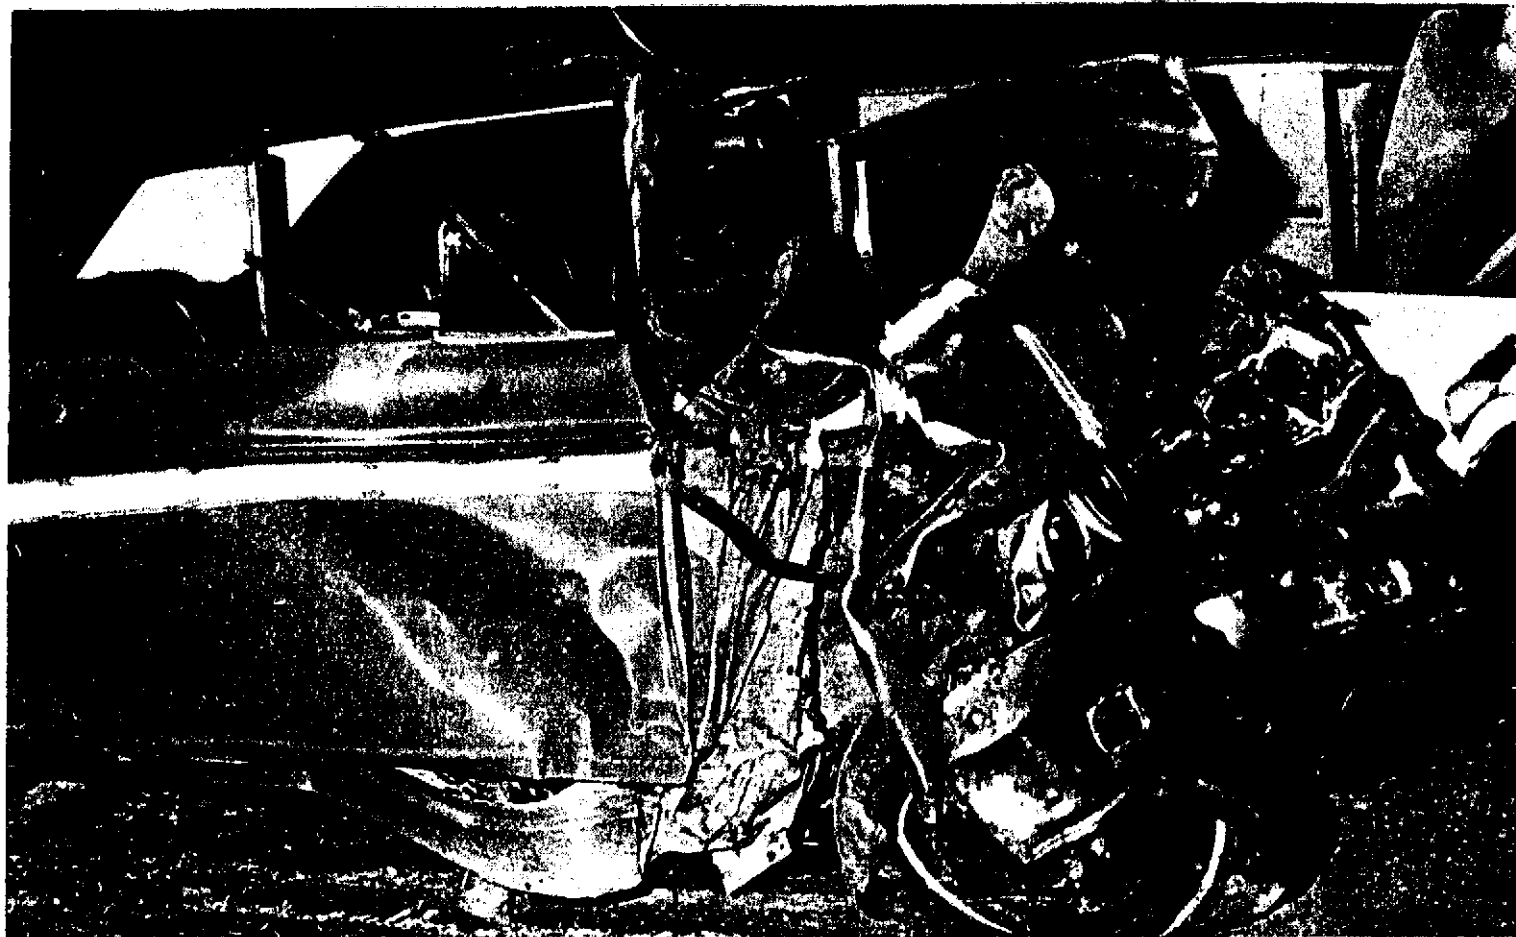

Hot Springs Police said a quantity of LSD and marijuana was seized in the raid at 9:30 a.m.

All arrested were either entertaining or working at the theater.

Charged with possession of narcotics were: Henry Duchon, 31, a drummer from Sacramento, Calif.; David A. Gustafson, 19, an organ player from Carson City, Nev.; Mike Neal Fiddelman, 23, a bartender from South Haven, Mich.; Carol Ann Schaser, 24, a cocktail waitress from Grand Junction, Mich.

Charged with being an accessor were Peter Frank Ruggiers, 23, a guitar player from San Francisco, Calif.; William Herbert Long Jr., 22, a guitar player from Carson City, Nev. and Carol Johnson, 24, a singer from Reno, Nev.

## Tragedy Strikes Near Shover Springs Sunday

—Hope (Ark.) Star photos by Gene Allen

Pictured are two cars shown late Sunday following a head-on collision near Shover Springs in which one youth was killed, two others injured, one critically.

The wreck occurred about 5:50 p.m. four miles southeast of Hope on Highway 32. Killed was Jackie L. Goodwin, 17, of Rosston Rt. 3. Critically injured were Gary Juris, 19 of Hope and Steven Fore, 13 of Rosston Rt. 3.

Arkansas State Patrolman Wallace Martin said a 1955 Chevrolet driven by Juris was passing two vehicles, on a hill and in a double yellow line area, and collided head-on with a 1963 Ford Fairlane driven by Goodwin.

Young Goodwin was killed instantly. His passenger, young Fore, was seriously but not believed critically injured. He sustained severe cuts and lacerations and a broken leg. Juris was very critically injured and was taken to a Texarkana hospital for treatment.

## Five Persons Killed on State Roads

By THE ASSOCIATED PRESS

Five persons were killed in traffic accidents in Arkansas during the weekend as hundreds of motorists were lured onto the highways by the spring-like weather.

Three of the victims died Saturday, one was killed Friday night and one was killed Sunday night. All died in separate accidents.

The Associated Press count of weekend traffic fatalities began at 6 p.m. Friday and ended Sunday at midnight.

The victims were: —Robert L. Crawford, 22, of Crossett; killed Saturday when struck by a truck in Pine Bluff.

—James L. Lawson, 44, of near Monticello; killed Friday night when struck by a car at Crossett.

—Pauline Callahan, 54, of near Forrest City; killed Saturday night in a two-car accident on U.S. 70 near Forrest City.

—Donald Vickers, 34, of Texarkana; killed Saturday in a one-vehicle accident on a county road near Texarkana.

—Jackie L. Goodwin, 17, of near Rosston; killed Sunday night in a two-car accident on Arkansas 32 near Hope.

## Porker Tickets Coming Soon

FAYETTEVILLE, Ark. (AP)

The deadline for Razorback fans to pick up their options on University of Arkansas football games will be May 1 instead of June 1 as in the past because of increasing demands for the tickets.

School officials said ticket information will be sent out a month in advance, April 1.

## Would Force Both Sides to Put Up

EL DORADO, Ark. (AP) — Dr. Rueben Setliff III of El Dorado revealed Saturday letters he has written to the Arkansas Board of Hearing Aid Dispensers and the Arkansas Hearing Aid Society which he said were written to force both groups to either "put up or shut up."

Setliff, the newest member of the board, has come under fire by the society following statements he made that hearing aid salesmen are not properly trained and that consumers need additional protection in hearing aid sales.

The society called for Setliff's resignation from the board. Setliff was appointed by Gov. Dale Bumpers.

## Eban Coming to U.S. to Clear Stand

By MARTIN ZUCKER  
Associated Press Writer

TEL AVIV (AP) — Foreign Minister Abba Eban flies today to the United States where he is expected to impress on Washington that Israel won't give up the Golan Heights and Sharm el Sheikh.

Along with a schedule of fund-raising dinners, Eban arranged meetings with Secretary of State William P. Rogers and Swedish envoy Gunnar V. Jarling, who is conducting the Middle East peace talks at the United Nations in New York.

Despite denials by Rogers, it was widely reported in Washington and Israel that the U.S. government has been pressuring the Israelis to be less outspoken and adamant in public about their territorial demands.

Premier Golda Meir was under fire at home for proposing in an interview with the Times of London that the Sinai desert be demilitarized and a peace force made up of Israelis and possibly Egyptians be established there.

Mrs. Meir defended her statements Sunday at a meeting of her coalition cabinet, contending that she said nothing new and it did not represent a final government decision.

LITTLE ROCK, Ark. (AP) — The Arkansas Supreme Court affirmed today a White County Circuit Court verdict that held Ford Motor Co. liable for the destruction of a house, which was burned in a fire that apparently began in an automobile parked in a garage attached to the house.

The Supreme Court, in effect, held that Ford was liable for damages resulting whenever the proximate cause was a defect in the company's product. The automobile was a 1967 Lincoln Continental bought April 26, 1967, by Robert L. Reid and his wife. On May 29, 1967, when the car had been driven about 1,800 miles, the automobile caught fire while parked in the garage attached to the Reid residence. The flames quickly spread and destroyed the house and car.

Testimony showed the fire apparently started under the right front seat of the automobile

## Heavy Shelling by Enemy on Laos Base

HAM NGHI, Vietnam (AP) — North Vietnamese troops launched heavy artillery and tank attacks against a South Vietnamese base in Laos today and threw up a wall of anti-aircraft fire against U.S. Helicopters supporting the base, field officers said.

Day-long ground fighting was reported 3½ miles southwest of Fire Base Lolo, the headquarters of the South Vietnamese 1st Infantry Division's 1st Regiment. The base is about nine miles southeast of Sepone.

One U.S. helicopter was shot down and several others were hit. But sources said American gunships knocked out seven enemy medium tanks six miles north of Lolo after the tanks opened fire on the base with 85mm cannon.

Officers said two 150mm artillery pieces at the base were slightly damaged.

Brig. Gen. Pham Van Phu, commander of the 1st Infantry Division, said the North Vietnamese were moving two regiments into the region around the base. Asked if he thought they would attempt to take it, Phu said, "No, but they will try to do something south of Lolo and they must move some troops south of Lolo to defend Highway 914."

## County Leads in Highway Accidents

The Arkansas State Police in its monthly statistical review reported today that 40 persons died in traffic fatalities during the month of February. According to State Police figures this is 13 fewer deaths than were recorded over the same period a year ago. This brought the states highway death toll for the year to 84 deaths for 1971.

Captain Milton Mosier District Commander of the Hope district for the Arkansas State Police said that one person died during the month of February on Arkansas highways in the Hope district. The county recording this fatality was Hempstead. Clark, Howard, Pike, Lafayette, Little River, Miller, Nevada and Sevier counties were free of traffic fatalities during the reporting period.

Mosier said Troopers in the nine county area investigated 71 accidents. Hempstead county recorded the highest accident rate with 16 accidents followed by Pike with 13, Miller 8, Nevada 7, Sevier 7, Little River 6, Clark 6, Lafayette 5 and Howard 3. The 40 traffic deaths during February occurred in 27 fatal collisions.

Statewide Troopers investigated 833 accidents during the month of February. Mosier said that if all motorists in the district would drive with patience and courtesy the number of fatalities could be reduced.

# Democrats Must Face Up to War

By JOHN BECKLER  
Associated Press Writer  
WASHINGTON (AP)

House Democrats will face up to the Vietnam war for the first time as party members Wednesday when a resolution calling for total withdrawal of U.S. forces by the end of the year is put before their caucus.

Senate Democrats adopted a withdrawal resolution last month and individual House Democrats have spoken out, but a party position in the House has so far been avoided.

A resolution sponsored by Reps. William R. Anderson, D-Tenn., Jonathan B. Bingham, D-N.Y., Edward P. Boland, D-Mass., Sam Gibbons, D-Fla., and Spark M. Matsunaga, D-Hawaii says:

"It is the sense of the Democratic caucus ... that the House majority should work to end the involvement in Indochina and to bring about the withdrawal of all U.S. forces and the release of all prisoners by Dec. 31, 1971."

One reason no clear cut vote has even been taken by the House Democratic caucus is the consistent support the top party leaders gave to the war policy of the Johnson and Nixon administrations.

An attempt was made last May to force a vote opposing the use of American forces in Cambodia. The move failed when not enough members showed up to vote in caucus.

There have been various votes on the House floor on Vietnam. In the latest one, the Cooper-Church amendment to limit President Nixon's hand on military action in Cambodia was resoundingly beaten in a procedural vote last July.

But now a split has developed in the Democratic leadership with the new party whip, Rep. Thomas P. O'Neill Jr., D-Mass., strongly in favor of a withdrawal.

Speaker Carl Albert of Oklahoma has not taken a public position on the resolution, although he is expected to oppose it. Majority leader Hale Boggs of Louisiana is firmly against it.

There has been no effort by the sponsors of the resolution to measure their support among the 254 House Democrats.

Estimates of the size vote they might get range from 60 to 100.

The Senate resolution, calling for withdrawal "by a time certain," was approved 37 to 12.

## Sunny and Milder Is Forecast

By THE ASSOCIATED PRESS

The weather will be sunny, but with milder temperatures than Sunday through Tuesday.

Temperatures soared around the state Sunday, with a record-breaking 86 degrees recorded in Little Rock.

The high temperatures have been pushed out of the state by a cold front that moved in last night, spawning some thunderstorms around the state.

Pine Bluff was struck by a heavy thunderstorm Sunday night and some tree limbs and power lines were blown down. Pea-sized hail was also reported.

Officials reported a funnel cloud between Carlisle and Stuttgart, but there was no indication that it touched down.

The prediction is for clear skies and mild temperatures.

The lows tonight will be in the mid to upper 30s. The highs Tuesday will be in the 60s and 70s.

The highs Sunday ranged from 79 at Fayetteville and Memphis to 86 at Little Rock.

# Russia Gains Firmer Grip on Egypt

By DENNIS NEELD

Associates Press Writer  
BEIRUT, Lebanon (AP) — As some diplomats see it, the Soviet Union is quietly getting a grip on Egypt's civil and political apparatus.

The Russians are presumed to believe that a settlement of the Arab-Israeli conflict would lessen the importance of their military aid to Egypt and thus diminish the major role they now play in Egyptian affairs. They consequently are building up a political power base in Egypt that anticipates a future era of peace in the Middle East.

The East German interior minister, Col. Gen. Friedrich Dickel, signed in January an agreement with Egyptian officials providing for "full cooperation in the fields of police and security affairs." The two countries agreed to exchange technical and other information on security, the Cairo press reported.

A new Egyptian police force made its appearance in Cairo early this year after a nine-month training program which included political studies conducted by the East Germans. Known as "security prefects," the new police handle everything from traffic jams to political espionage, according to the semi-official newspaper Al-Ahram. The 750 prefects room Cairo day and night in two-man patrols, each equipped with a walkie-talkie radio.

Al-Ahram reported that among their early successes were the arrest of 15 pickpockets disguised as women and the apprehension of an unidentified foreign diplomat who had photographed a restricted military zone in Alexandria.

An East German organization for sports and technical training, is providing paramilitary training for Egyptian youngsters.

A recent mission from the Czech Communist party was headed by the hard-line Central Committee secretary Vasil Bilak. It concluded an agreement of cooperation with the Arab Socialist Union.

The pact was hailed in Prague as of "much wider international significance than would appear at first sight."

The Egyptians indicated full support for almost every aspect of Communist foreign policy from Indochina to Soviet Bloc relations with West Germany.

## School Board Meets With Official

LITTLE ROCK (AP) — A delegation from the Watson Chapel School District returned Saturday from Washington after meeting with only one official about their grievances over the recent unitization of the district.

John Warnock, attorney for the group, said they met with Brian K. Lansberg, chief of the Justice Department's Education Division. That meeting was arranged through Sen. John L. McClellan, D-Ark.

Lansberg hinted that the U.S. Supreme Court will rule on school cases before it now, rather than wait until it decides about the constitutionality of busing children to achieve a racial balance and the neighborhood school system.

"If (the court) does what the Justice Department is asking them to do," Warnock said, "the ruling will be so worded that what the federal judges already have done in the South would not be undone, but that the courts would probably recognize some form of neighborhood schools and maybe even a modified freedom of choice plan as constitutional."

He said this would mean the court was "satisfied with having dismantled, in some respects, destroy education in the South but that they are not going to push in areas where de facto segregation exists."

A large number of guests were at the Hope Rotary Club luncheon meeting in the Town and Country to hear Secretary of State Kelly Bryant, who is still a member of the local club, on Friday, March 12. He spoke to the group on legislative reapportionment and the shift in population in our state. Rotarian Jim Cole arranged to have him.

According to the speaker, the National Census Bureau was begun in 1970. Through the years not only has the population increased over the country but also the kinds of information gathered have grown. In Arkansas the population is moving from east to west with 47 per cent of the people now under 25 years of age and 12.4 per cent over 65. On March 25 there will be news of the planned senatorial

districting. Jack Riggs of Little Rock assisted in the presentation.

Before the program, Henry Sinyard and Bill Reinhardt were formally inducted as members of the Hope Rotary Club by Albert Graves, President C.R. "Dick" Moore welcomed the members and 17 guests.

They included those on the program and Mrs. Jim Cole, Mrs. Henry Sinyard, Mr. and Mrs. Carter Sutton, Mr. and Mrs. Harry Hawthorne, Mrs. Dee McMurrough, Mrs. Georgia Bledsoe, Mrs. Claudia Hart, Mrs. Pat House, Mrs. Betty Lough, Judge Royce Weisenberger, Donald Parker, Barry Brown and George Frazier.

soil for many years thus infecting tomatoes from year to year that are not resistant. Build up of the organism occurs in our gardens mostly because it is difficult to follow good rotation practices. Use of a resistant variety is the best known way to alleviate this problem. Another desirable characteristic of Traveler is good leaf coverage, thereby, protecting the fruits from sunscald better than most varieties now being grown. It is also a determinate type, that is to say, it has short internodes. This helps keep it within bounds in the garden for those that do not stake and space is limited.

Travelers slicing quality is highly acceptable, rather meaty and much firmer than most varieties. The fruits ripen evenly on the shoulder and have very smooth blossom and stem ends. Also the fruits ripen over a period of several days within each cluster.

Resistance to cracking is perhaps the most outstanding feature of this tomato even under adverse environmental conditions. At two locations last year Traveler had an average of only one third as much cracking as Bradley.

Yield of U.S. No. 1 fruits of Traveler for the past two years was 64 per cent greater than Bradley with a total marketable yield of 46 per cent more, mostly due to its resistance to cracking. Plants will be available, this spring, at some local plant growers and dealers.

## Challenges Right to Withhold Fund

WASHINGTON (AP) — A high ranking member of the House Appropriations Committee is challenging President Nixon's right to withhold funds Congress votes for specific programs.

Aroused by the impounding of nearly \$9 billion in congressional appropriations last year, Rep. Joe L. Evins, D-Tenn., is demanding to know "by what authority?"

It's an old question, a constitutional issue and a political issue.

Evins is chairman of the House public works appropriations subcommittee, a post he assumed this year.

When the President withholds money, specifically appropriated Evins said, he in effect is exercising an item veto. This is a power no president has under the Constitution, Evins said, and a power which Congress consistently refused to grant the executive.

When George P. Shultz, director of the Office of Management and Bureau recently testified before the House Appropriations Committee, Evins opened his query of executive power.

where an electrical mechanism operated the reclining back of the right front seat and a motor operated a head rest.

The Reids filed suit against Capps Motor Co. of Searcy which was the selling dealer and Ford.

Judge Elmo Taylor of Searcy directed a verdict in favor of Capps and ruled a hung jury on the liability of Ford in the first trial. On retrial against Ford alone, the jury returned a verdict for \$89,279.

Ford contended that its liability did not exceed replacement of the car, which cost about \$6,100.

The unanimous high court opinion by Associate Justice Conley Byrd said that when the warranty said the terms would be fulfilled by the selling dealer, the statement was an instruction to the dealer and not a limitation on other remedies of the buyer.

If Ford intended the repair remedy to be exclusive, as it now contends, it should have stated that intention in express language, Byrd wrote.

"There is no language anywhere in the warranty form 'expressly' stating that the remedy of repair or replacement of defective parts is to be the exclusive remedy," Byrd wrote.

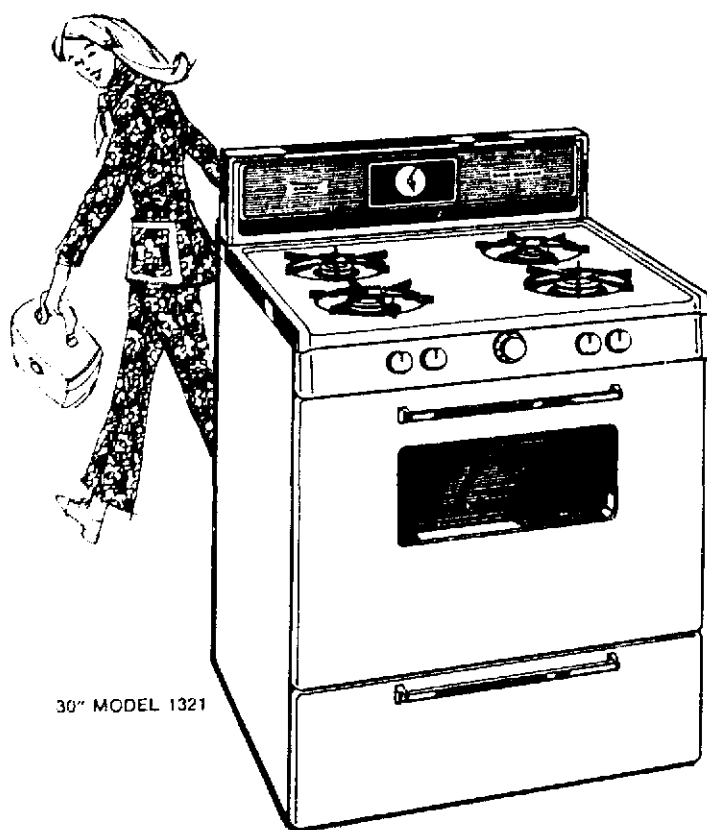

In other cases, the court: —Affirmed a \$10,000 judgment to Jewell Thomas Bane for 18.4 acres of land taken by the state Highway Commission in Conway County for right-of-way.

—Reversed a jury award of \$12,000 for W. F. Lemley of Conway County for land the commission claimed for right-of-way.

—Affirmed the second-degree murder conviction in Franklin County of Carlton J. Carney in 1966.

—Affirmed the conviction of priations Committee, Evins opened his query of executive power.

## Television and Radio

By CYNTHIA LOWRY  
AP Television-Radio Writer  
NEW YORK (AP) — "Special" is probably the most abused word in the television lexicon, but CBS on Sunday night turned out two in a row that qualified in almost every department.

Burt Bacharach, the talented composer who moonlights frequently as a performer, came up with another winner—his third TV hour devoted to his own music. This time the program was given its excitement by the appearances of Barbara Streisand and Rudolf Nureyev.

Then along came Doris Day in her first TV special, an hour in which she strolled around singing, rode a bicycle around a Hollywood street, danced a bit, wore a lot of different clothes, and introduced the large assortment of dogs who are part of her family. Perry Como, whose television appearances are increasingly infrequent, joined her in the easy-going, informal hour.

Bacharach's gimmick in his special was to precede each guest's performance with a little casual conversation which led directly into the number which followed. In the case of Miss Streisand and Nureyev this did nothing but kill time, but with Tom Jones, another guest star, it was effective. Jones reminisced a bit about his Welsh upbringing and suddenly the scene dissolved to a British pub with a male chorus sitting around drinking their pints of bitter and singing "Raindrops Falling on My Head."

Nureyev was presented in a modern dance choreographed to music from "Butch Cassidy and the Sundance Kid." It was a complicated story told in dance form, overlaid by some flashy optical effects. Total result was that viewers had only a limited opportunity to see Nureyev dance.

Miss Streisand was effective singing "Close to You" with Bacharach, but a big production of a new Bacharach tune, "Somewhere in the World," was not too impressive.

Miss Day's hour was filled with pleasant music, most of it well-remembered songs. The setting was in a garden with a gazebo, and the whole thing had a relaxed air about it.

"Harpy," a CBS made-for-TV film feature shown Friday night, was an attempt at a horror story that got tangled up in an obvious, maladroited script. It was the story of a man who was interested in falconry—training birds of prey to be hunters—and who was also buggered by a scheming ex-wife who wanted him back.

## Apple, Pear Blights Hard to Control

Fire blight of apples and pears is a stubborn disease to control said County Extension Agent, Calvin J. Caldwell. A commendable job of controlling this disease can be accomplished by timely application of streptomycin. This product must be known as Agri-Stryp in the local trade. The first application should be made when the trees are in 20 per cent bloom. This should be followed in 4 or 5 days with a second application and later a third application at about the same interval.

Local dealers have a supply of this product available for you at this time.

**PUSHED AROUND OR PUSHER?**  
Dear Helen:

We live in a small town, so whatever happens becomes a big thing. My husband was caught, convicted and sentenced for selling marijuana. Actually, he only handled a very small amount, and he gave some to a "friend," who turned him in. He isn't even a real smoker, just an experimenter, and a very foolish one.

But the D.A. made headlines by announcing he'd caught a principal supplier of marijuana in this area. The word is around that my husband was a big-time narcotics pusher. What chance do I have of bringing out the truth when everyone is already convinced?—VERY MUCH ALONE (FOR AT LEAST FIVE YEARS)  
Dear VMA:

Your only hope is to prove that your husband was simply "in possession," not "selling." If a

good lawyer can do this, his sentence might be reduced, but unless proof is absolute, chances are very slim. And the going may be expensive.

When you feel you have a case, contact the legal aid society.—H. Dear Helen:

I am in the Army, stationed in Vietnam. Today I received a letter from my wife in Oklahoma, saying that she suspects I have a girl friend over here because I "haven't written in so long."

Helen, I have written every other day and sometimes of ten. Is there some kind of mail strike going on in the U.S.? My wife (she's expecting our baby soon) thinks that every night I go to nearby towns and have a ball. If she only knew how it is over here, she'd stop worrying about THAT, and start worrying about whether I'll get home alive. We're so tired after our days in the jungle, all we think of is sleep. There are no nearby towns, and believe me, nothing to attract us.

Maybe if you put this in the paper, my wife will read it and realize that it isn't me, but the mail service, and I miss her very much.—SHORT, FOUR MONTHS TO GO

But now, every time I appear in it, someone is bound to look ne up and down and imply I'm "one of those," a cruel, selfish, heartless dame who would murder natural fauna into extinction to put fur on her back.

Must I give out the age of my coat in order not to be ostracized? —FURTIVE  
Dear Furtive:

Why not? Ecology-conscious people will be glad to hear it and your friends already know. —H. Dear Helen: May I share an item that came from the Adairville, Ky., Enterprise? The writer says, "I used to think I was poor. Then they told me I wasn't poor, I was needy. Then they told me it was self-defeating to think of myself as needy, that I was culturally deprived. ## Marionettes to Perform on Tuesday

The children of Hope will have a treat in store for them when Nicolo Marionettes, sponsored by Hope Junior Auxiliary, present a favorite musical adventure story, Pinocchio, on Tuesday, March 16.

Pinocchio, in the Nicolo version, is a play in six acts, with large-sized puppets that are wonderfully jointed to perform unusually lively actions. The story moves from the home of the lovable old carpenter, Gepetto, who makes the puppet Pinocchio out of wood, to the backstage of a puppet show, and from there to Boobyland, home of all boys who don't want to go to school. There follows a mysteriously lighted underwater scene, full of phosphorescent deep-sea creatures, and climaxed by the entrance of a mammoth whale, who has, of course, swallowed Pinocchio. From this dramatic point we will let the Nicolo Players take over, adding only that the jolliest of happy endings, with music and dancing, awaits the children who will have watched with bated breath, even at times helping Pinocchio to make the decisions which earn him, at last, the right to become a human boy.

Pinocchio will be presented at Hope High School on Tuesday, March 16. The curtain goes up at 10 a.m. and 1 p.m. Admission is 25 cents. Mrs. Terrell Martin is in charge of this event. Phone 777-5133

## Robinson Wants to Be Manager

By MIKE RATHER  
Associated Press Sports Writer  
FORT LAUDERDALE, Fla. (AP) — Frank Robinson of the Baltimore Orioles has added another view to the "deeper vision" of managing he has accumulated and gained the first plaudits of his peers in his bid to break baseball's last color line.

Emphasizing that he is not a crusader in any sense, Robinson became the first black to manage a major league club when he led an All-Star team to a 7-4 victory over the New York Yankees Saturday in an exhibition game.

While the show undoubtedly was staged for purely economic purposes—to attract attendance—the event did carry with it considerable social significance, spotlighting as it did both Robinson's ambitions and qualifications.

"He'd be a heck of a manager," said Dave Johnson, an Oriole teammate and a member of Robinson's All Stars. "He understands people. He has real good temperament. He wants to win, and people feel that and react to it."

Robinson, however, still is in the process of collecting evidence.

"Anyone wants to be and likes to be the first at something," Robinson explained. "And I'm not going to say I don't want to be the first. But the idea is to manage—there's no crusade. It wasn't a crusade when I started and it isn't now."

Robinson said he felt the climate was right now for the naming of a black man to a managerial post and listed five owners who he felt "would be more inclined" to do so because of their treatment of the black players on their clubs.

In that manner he singled out Oriole owner Jerry Hoffberger, Walter O'Malley of Los Angeles, Horace Stoneham of San Francisco, Bob Short of Washington and Phil Wrigley of the Chicago Cubs.

## Clemente Also Wants to Be Manager

BRADENTON, Fla. (AP) — Add Roberto Clemente to the black major league managerial sweepstakes. The great outfielder of the Pittsburgh Pirates has the bug—maybe.

Whenever you hear or read about the possibility of a black manager the names which immediately come up are Maury Wills, Frank Robinson, Larry Doby, Willie Mays and Ernie Banks. Clemente doesn't concede a thing to any of them.

Would he like to be a major league manager?

"Well, I don't know, I don't decide that yet," said Clemente before an exhibition game at the Pirate spring training camp. "I like to work with players."

Then the 36-year-old Clemente warmed to the subject. "I think I'm capable of managing in the big leagues," he said. "There is no question in my mind I'm capable to manage in the big leagues."

Clemente managed the San Juan team in the Puerto Rican Winter League this year. His team finished 2½ games out of first place. In true managerial style, Clemente says he would have won the pennant but for injuries.

"I would say that managing

## UCLA Beats USC, Again in Playoffs

By KEN RAPPOPORT  
Associated Press Sports Writer

UCLA stays steady as sunrise and the sun is also rising, for a change, at South Carolina.

To hardly anyone's surprise, UCLA is in the NCAA basketball playoffs again after a 73-62 victory over Southern California Saturday that handed the Bruins the Pacific-8 title.

But South Carolina almost didn't make it after two frustrating years. The Gamecocks pulled out the Atlantic Coast Conference championship with a nervous 52-51 victory over North Carolina.

The two league champions get into the swim in this Thursday's second round, joining the weekend's first-round winners.

UCLA plays Brigham Young at Salt Lake City in the west and South Carolina faces Penn in the east at Raleigh, N.C., in two of the second-round contests.

Brigham Young smacked Utah State 91-42 in a west regional opener and fourth-ranked Penn Jolted Duquesne 70-45 in the east.

In other first-round games, Villanova cruised past St. Joseph's, Pa., 93-75 and No. 10 Fordham buried Furman 105-74 in the east; No. 2 Marquette clouted Miami of Ohio 62-47 and No. 7 Western Kentucky slapped ninth-ranked Jacksonville 74-72 in the midwest; Notre Dame shelled Texas Christian 102-94 and Houston tipped New Mexico State 72-69 in the midwest and Long Beach State smashed Weber State 77-66 in the west.

Drake turned back Louisville 86-71 Saturday in their playoff for the Missouri Valley Conference title, thus setting up these pairings for Thursday:

East Regional at Raleigh, N.C.—Penn., 27-0, vs. South Carolina, 23-4, and Villanova, 4-6, vs. Fordham, 25-2.

Midwest Regional at Athens, Ga.—Western Kentucky 21-5, vs. Kentucky, 22-4, and Marquette, 27-0, vs. Ohio State, 19-5.

Midwest Regional at Wichita, Kan.—Notre Dame, 20-7, vs. Drake, 20-7, and Houston 21-6, vs. Kansas, 25-1.

West Regional at Salt Lake City—UCLA, 25-1, vs. Brigham Young, 19-9, and Long Beach State, 23-7, vs. University of Pacific, 21-5.

The eight winners jumped into the national quarterfinals Saturday and the four survivors play the semifinals and final at the Houston Astrodome March 25 and 27.

South Carolina, the southern powerhouse with the losing playoff syndrome, had been ticketed to make the NCAA tourney for two years running.

But the Gamecocks, despite their imposing lineup that included John Roche, Tom Owens and John Ribick, never made it out of the ACC playoff system which McGuire termed "Russian Roulette."

"St. Patrick's Day is March 17th, but it came early," chortled McGuire after Saturday's victory.

Top-ranked UCLA, which hardly ever has trouble with playoffs, is eyeing its fifth straight national title after the runaway success over No. 3 Southern Cal.

The Brigham Young aggregation is looking forward to UCLA after the weekend victory.

Penn Coach Dick Harter also thinks his team has a good change against South Carolina. "We like the pressure of the playoff," said Harter. "We recruit boys who prove they thrive under pressure. You have to have this kind of have a record like we have. We proved it Saturday night—we play better that way—in the clutch."

Duquesne Coach Red Manning was agreeable: "I think Penn has as good a chance as any to go to the eastern regional finals."

In other action Saturday, Kentucky State won its second straight NAIA championship by beating Eastern Michigan 102-82. Elizabeth City, N.C., took third place by beating Fairmont State 88-87 in overtime.

Elsewhere, in the NCAA College Division tourney, it was Cheyenne State 60, Philadelphia Textile 58; Old Dominion 102, Norfolk State 97; Puget Sound 85, Seattle Pacific 78, Assumption 105, Central Connecticut 77; Southwestern Louisiana 86, Tennessee State 82 and Hartwick 71, Buffalo State 70.

## Liquori Leads Villanova to Victory

By JERRY LISKA  
Associated Press Sports Writer  
DETROIT (AP) — The seventh National Collegiate Athletic Association's Indoor Track and Field meet turned out to be "Liquori's Revenge."

Marty Liquori not only led Villanova to the team title Saturday, but also scored a notable mile and two-mile sweep for his first triumph in three years of trying on Cobo Arena's gleaming boards.

Overshadowed by Jim Ryun as a sophomore, and humbled last year in the mile by Howell Michael of William & Mary, Liquori posted better times than Ryun did when the Kansas superstar scored a 1968 sweep of the two distance events.

And in his 4:04.7 typical come-from-behind mile triumph, Liquori ran off and left defending champion Michael dead last in the six-man field.

The previous night Liquori stormed from way back to take the two-mile in 8:37.1, little more than an hour after hustling to a mile qualifying berth.

In Ryun's 1968 double, the Jayhawk great did the mile in 4:06.8 after an 8:38.9 two-mile the night before.

Coach Jumbo Elliot, whose Villanova team compiled a winning total of 22 points, chortled, "Liquori is in such fantastic shape that I think we'll see some really great times from him outdoors."

The two-day meet produced four new NCAA marks, the most notable a 7-foot 2 high jump by Wisconsin's Pat Matzdorf, who shares the American indoor record of 7-3.

Saturday's closing program also produced a new 1,000-yard record of 2:07.4 by Bob Wheeler, a Duke freshman who could offer Liquori competition in priming for a 1,500-meter berth in the 1972 Olympics.

Elsewhere, three world indoor records were set in a two-day European meet at Sofia, Bulgaria.

Britain's Margaret Meacham lowered her own world mark in the women's 1,500 meters by two-tenths of a second to 4:17.2. Russia's Nadezhda Chizhova heaved the women's shot 64 feet, 7½ inches and Wolfgang Nordwig of East Germany cleared 17-8½ in the pole vault, erasing the mark of 17-7¾ set only three weeks ago by Sweden's Kjell Isaksson.

## NLR Takes Arkansas 4A Title

LITTLE ROCK (AP) — North Little Rock beat Little Rock Central 70-69 in overtime in the championship game of the Class AAAA state basketball tournament here Saturday night.

With nine seconds left in the overtime, Gary Boyd, a North Little Rock senior, hit two free throws to push the Wildcats ahead 70-67.

Little Rock Central's Danny McDaniel rushed downcourt and hit a jump shot, but it was

not enough to give the Tigers the victory.

Central had eliminated conference champion Fort Smith Northside in an upset Friday.

North Little Rock trailed most of the second half, but pulled even at 60-60 on Anthony Moorman's field goal with 3:25 remaining. Boyd's two free throws with 1:37 remaining gave the Wildcats a 64-62 advantage, but McDaniel drove through the Wildcats for a basket and a 64-64 tie with 21 seconds left.

Kent Rust, who was named the most valuable player in the AAAA Tourney, led the Wildcats with 21 points. Moorman had 17. McDaniel led the Tigers with 29 points. Fred Allen had 19.

Named to the Class AAAA All-State team were: Jerry Bradley, Moorman and Rust, all of North Little Rock; David Becton, Little Rock Hall; David McDaniel, El Dorado; McKinley Sapp, Horace Mann; Allen and Ron Talley, both of Little Rock Central and Tom Poole and Russ Basham, both of Fort Smith Northside.

North Little Rock won the scholastic award and the sportsmanship award went to Fort Smith Northside.

## Palmer Is Winner at Orlando

By BOB GREEN  
Associated Press Golf Writer  
ORLANDO, Fla. (AP) — Arnold Palmer had just scored his second victory of the season, moved into the No. 1 money winning spot and was a happy man.

But he wasn't content. "There's a lot more I have to do than just winning," he said Sunday, the putty face splitting in that famous grin. "Winning is important, and fun. But there are other things I have to do."

"I haven't won a major title since 1964. That's the thing that's in my mind."

And that means he has his sights set on Augusta, Ga., and the Masters Tournament four weeks from now. It was at the Masters seven years ago that the most popular player the game has ever produced scored his last major triumph.

He's had a series of trials and troubles since then. Time and again he was written off as a has-been.

But he always came back again. Now 41, with a victory in the Bob Hope Desert Classic early this season, he became the third double winner of the season when he held off 51-year-old Julius Boros in the final round of the Florida Citrus Invitational.

Palmer had a final 68, four under par on the 6,849-yard Rio Pinar Country Club course, finishing 18 under par at 270. Boros was one stroke back with a 69 for 271.

The \$30,000 first place check pushed his earnings for the year to \$89,862 and his all-time earnings to \$1,340,271. It was the 56th tour victory of his career, plus two in the Caribbean, plus two British Opens, plus two team championships.

It was a two-man race between Palmer and Boros all the way. Kermit Zarley had a 69 for 273 and was alone in third. Jerry Heard, 69, and Tom Weiskopf, 68, followed at 274.

Mach Calvin Is Choice of People  
By THE ASSOCIATED PRESS  
The American Basketball Association holds its official draft today but little Mach Calvin is the people's choice as far as the Floridians are concerned.

The 5-foot-10 sharpshooter scored the Floridians' last six points Sunday in a 117-114 victory over Pittsburgh that pulled them to within one game of the fourth-place Condors in the race for the final playoff spot in the East Division.

Ron Franz led the Floridians with 26 points and Calvin finished with 21. George Thompson had 24 and John Brisker 21 for the Condors.

Two other chases also remained tight as the Texas Chaparrals downed Memphis 132-123, the Utah Stars hammered Carolina 126-103, the Indiana Pacers beat Denver 131-121 and the Virginia Squires whipped Kentucky 139-121.

In the NBA, it was Boston 117, Chicago 104; Atlanta 108, Philadelphia 101; Portland 123, Buffalo 112; Cincinnati 115, Cleveland 103; Phoenix 125, Milwaukee 113; Los Angeles 110, Detroit 100 and Seattle 124, Baltimore 121.

Texas' triumph over Memphis left the Chaps one game behind fourth-place Denver in the West. Gene Moore scored 26 points, Don Freeman 25 and Rich Jones and John Beasley 24 each as the Chaps posted their third straight victory. For Memphis, Wendell Ladner had 24, Charlie Williams 23 and Steve Jones 22.

Denver blew an early nine-point lead against Indiana and trailed by as many as 27 in the third period. Denver's Larry Cannon took scoring honors with 30 points but Indiana put eight men in double figures, led by Freddie Lewis' 21.

The Pacers remained one game behind front-running Utah in the West as Zelmo Beaty scored 14 of his 29 points in the final period to break open a tight game and lead the Stars past Carolina. Glen Combs also had 29 for Utah while Joe Caldwell tallied 39 for the Cougars, who lost their eighth straight.

Charlie Scott, held to two points in the first quarter, wound up with 32 and sparked Virginia over Kentucky. Dan Issel scored 31 for the Colonels.

Championship wrestling fans, listen to this. Wednesday night, March 17, at Hope's Fairgrounds Coliseum Building, the popular negro star Tom Jones takes on Dr. X in the main event.

The semi-final event, Norman Frederick Charles, III teams up with Duke Myers to go up against the popular team of Chief War Eagle and Bill Howard. There will be four bouts in all next Wednesday night at Hope's Fairgrounds Coliseum Building.

# Compte Deux Clears Major Hurdle at Spa

HOT SPRINGS, Ark. (AP) — R. E. Lehmann's Compte Deux cleared one of the major hurdles for the April 3 Arkansas Derby by winning the \$25,000 Rebel Handicap at Oaklawn Park Saturday.

The colt shot to the front in the stretch and held on to beat Mary Van Wyck's Arkansas-bred Bixa by a length. Posting a good time of 1:44 2/5 for the one mile and 70 yards on a slow track, Compte Deux paid \$47.80, \$22, and \$12.60.

Bixa returned \$28, \$10.60 and Night Counter finished third to pay \$7.40.

Compte Deux remained off the pace during the first half of the race, but managed to pass favorite Saltwell and open a five-length lead going down the back stretch.

Going into the stretch, Saltwell, ridden by Eddie Arroyo, rushed up on the outside to try and take the lead from Compte Deux. With only a few yards to go, Bixa, ridden by John Kunitake, also came up with a strong rush to pass Saltwell, but missed Compte Deux by a length.

Night Counter nosed out Saltwell to finish third, while Bopdavelle, also high in the wagering, was another five lengths back in fifth.

The daily double of Proxy Fight in the first and Bladen in the second, numbers 11 and 6, paid \$1,612.60.

The crowd of 22,205 wagered \$1,512,872.

captured \$5,000 in first prize money and \$2,000 in lap money to best national champion Gene Romero of San Luis Obispo, Calif., who finished second, and Don Emdee of San Diego, who came in third.

Twenty-one-year-old Rusty Bradley of Dallas was one of three drivers who spilled on the first lap while entering the infield portion of the twisting 3.81 mile oval-and-road course at Daytona International Speedway.

The mechanical engineering student from the University of Texas at Arlington suffered multiple head injuries and died a few hours later in Halifax Hospital.

Bradley, who had raced motorcycles for five years and last year won all three U.S. races for professional novices, was considered the top rookie rider in the expert class. He was reckoned as a top contender for the Daytona 200 title this year.

The two other riders in the mishap, Duane McDaniels of Milford, Conn., and Steve McLaughlin of Duarte, Calif., were not injured.

Mert Lawwill of San Francisco, a former national champion, suffered minor injuries in a spill later in the race.

A crowd of 38,200 watched Mann zip under the checkered flag aboard his factory backed BSA to break the old mark of 102.697 m.p.h. he set in the 200 last year. Emdee also chose a BSA, with Romero astride a Triumph.

# Richard Petty Winner in Carolina

By BLOYS BRITT AP Auto Racing Writer ROCKINGHAM, N.C. (AP) — Richard Petty, known variously as "Rapid Richard," the "Ran-dleman Rocket" and "King Richard," is on the verge of becoming stock car racing's first millionaire.

The 33-year-old Plymouth driver with the piano-key smile won the Carolina 500 before 32,500 fans at North Carolina Motor Speedway to run his career winnings to \$910,988—almost twicetotal of any other driver in NASCAR's grand national stable.

Petty, who now has won three of his six starts this year, picked up \$17,317 for his fourth victory at Rockingham. His total for the year stands at \$82,080, putting him within reaching distance of his third \$100,000 season in four years.

As has become his habit of late, Petty waited until the latter stages of Sunday's four-hour, 12 minutes and 55-second race to make his charge to the front. He had paced the 40-car field on two brief occasions earlier, but at the 335-mile mark he roared past 1970 Grand National champion Bobby Isaac and was on his way.

Isaac came in second to collect \$10,904 from the \$86,000 purse, but the Dodge driver had begun to close on Petty as the race neared its climax. A wreck involving several cars with only three laps to go shut off Isaac's bid, however.

The crash-involving the cars of Bobby Wawak of Villa Park, Ill., Elmo Langley of Charlotte, LeeRoy Yarborough of Columbia, S.C., and Fred Lorenzen of Elmhurst, Ill.—brought out the day's sixth caution flag, and the race was completed with the 16 surviving cars moving around at a snail's pace.

# Backus and Gallois Fight in Paris

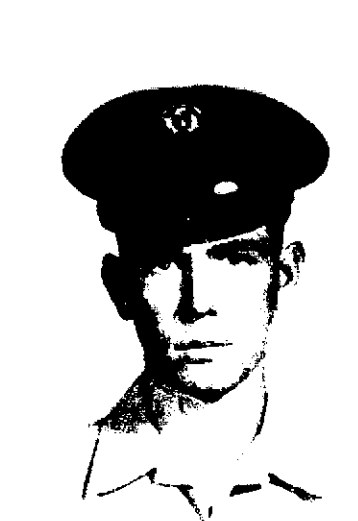

PARIS (AP) — Billy Backus of Syracuse, N.Y., world welter-weight boxing champion, meets Robert Gallois of France tonight in a 10-round nontitle bout and his greatest fear is that a hometown decision might favor the Frenchman.

Backus won his title from Jose Napoles, a Cuban based in Mexico City, last December.

Gallois is generally rated as F's No. 3 welterweight. Marcel Cerdan Jr., defeated him by a narrow margin on points. Roger Menetrey knocked out Gallois in the fifth round early last year.

Neither Cerdan nor Menetrey was interested in meeting Backus in Paris, so Gallois took the bout. Menetrey is aiming for the European welterweight crown. Cerdan would like to meet Backus in the Unstates with the title at stake.

The last world champion seen in a Paris ring was Curtis Cokes, of Dallas, who then had the world welterweight title. He

6. Stephens unscheduled.
7. County Line unscheduled.
8. Stamps unscheduled.
9. Russellville was defeated by Subiaco 57-56.
10. Tuckerman unscheduled.

# No Decision by Olympics on Skiing

LAUSANNE, Switzerland (AP) — The organizers of the 1972 Winter Olympic Games in Sapporo, Japan, still do not know whether skiing will be on the program.

After a meeting of the International Olympic Committee executive board, veteran IOC President Avery Brundage told newsmen Sunday:

"As far as we are concerned the program at Sapporo will proceed as contemplated"—implying that skiing will be retained.

But at the same news conference he alleged that the International Ski Federation (FIS) "has lost control of its sport which is now completely commercialized."

Asked if it is too late for the FIS to mend its way before Sapporo, Brundage replied, "For certain skiers it may well be."

This suggests Brundage is determined to make an example of certain Alpine ski stars allegedly highly rewarded for commercial promotions. He has specifically referred to 10 skiers who took part in a summer training camp at Mammoth Mountain, Calif., last year.

But FIX President Marc Hodler has said that if these skiers are barred from Sapporo then he will propose the withdrawal of Alpine skiing from the Olympic program. He is confident Nordic skiing will follow suit.

The latest move by the IOC was the decision taken by its executive board at the weekend to seek changes in the vital eligibility rule for the Olympic Games—Rule 26.

Amendments and modifications will immediately be submitted to IOC members for a postal vote, the result of which is expected within 30 days. A two-thirds majority will be needed for the changes to be implemented.

Brundage confessed he is not happy with the proposals, but declined to indicate whether they would "bend" the rule slightly to admit borderline cases of alleged professionalism.

# HOPE (ARK.) STAR, Parkview Winner of AAA Title

LITTLE ROCK (AP) — Through the scoring of Dexter Reed, of Little Rock Parkview, which opened its doors three years ago, won the Class AAA state basketball tournament Saturday night by defeating Helena 78-69.

Reed, a sophomore, scored 43 points in the game to break the AAA championship game record of 40 points set by Fort Smith Southside's Jim Hamilton last year.

In the first three games of the tournament, Reed hit 23, 22 and 28 points. He averaged 22 points during the season. Helena remained within striking distance until midway through the third quarter. At that point, Reed scored a fast-break basket and four free throws to give the Patriots a 53-40 advantage.

Parkview led by as much as 16 points in the fourth quarter and Helena never got closer than seven.

Don Scaife led the Indians with 29 points, although he was shutout in the first quarter.

Scaife was selected the most valuable player in the AAA tournament.

Named to the division's All-State team were Reed, and Alfred Lowe of Parkview; Scaife and Charles Price of Helena; James Washington and Andy Lloyd of Hot Springs; Mike Holman of Jonesboro; J. H. Williams of Little Rock McClellan, Robert Walker of Blytheville and Craig Curry of Fayetteville.

The sportsmanship award went to Jonesboro and the scholastic award to Fayetteville.

# Rose Gets Increase, Signs Pact

By HERSCHEL NISENSEN Associated Press Sports Writer Pete Rose didn't get his 5% per cent, but he'll still give his 150 per cent.

The hustling outfielder of the Cincinnati Reds ended his two-week holdout Sunday and signed for an estimated \$2,500 cost-of-living raise. He had asked for a \$5,000 boost over his 1970 salary of \$105,000, based on a 5% per cent rise for the average player who makes \$26,000.

The Reds had rapped Rose's salary demands because his average dropped from .348 to .316 after winning two straight National League batting crowns. He did get 205 hits and scored 120 runs as the Reds won the pennant.

The Reds could have used Rose on the exhibition field. They bowed 6-4 to a combined squad of New York Mets, Philadelphia Phillies and St. Louis Cardinals as New York's Ed Kranepool belted a three-run homer in the first inning.

Denny McLain pitched six innings and Tim Lincecum and Ed Stroud homered as the Washington Senators whipped the New York Yankees 7-5. McLain allowed five hits and two runs, including a homer by Jake Gibbs.

Larry Bowa, who didn't hit a home run last season, cracked a two-run shot off Jerry Koosman that lifted the Phillies to a 3-2 triumph over the Mets.

Minnesota's Harmon Killebrew unloaded a grand slam in the Twins' 10-7 win over Boston and Pittsburgh's Vic Davalillo did likewise as the Pirates blanked a team of Latin all-stars 8-0 in Panama. Dock Ellis and Bob Veale held the Latinos to five hits. Meanwhile, Pittsburgh's 'B' squad defeated the Los Angeles Dodgers 5-1.

Milwaukee ripped Tom Phoebus for four runs in the third inning and beat San Diego 5-3 in the first game of a doubleheader. The Padres took the nightcap 5-1. Both games went seven innings.

The Chicago White Sox hammered out 15 hits but needed Le Richard's tie-breaking two-run single in the ninth before beating Baltimore 8-5. San Francisco clubbed the Chicago Cubs 5-1 behind the strong pitching of Frank Reberger, Jim Moyer and Don Carrithers. A five-run outburst against California ace Clyde Wright in the second inning enabled Cleveland to beat the Angels 8-6.

In late-inning triumphs, Jim Beauchamp's 10th-inning sacrifice fly gave the St. Louis Cardinals a 2-1 decision over Detroit. Kansas City nipped Houston 3-2 with a run in the ninth and

Oakland edged the Tokyo Orions 8-7 with two in the ninth. The Dodgers started piling down their massive catching corps by selling Jeff Torborg to the Angels.

# Kentucky S. Hunting New Worlds

KANSAS CITY (AP) — Kentucky State, first team to win successive NAIA basketball titles since 1951, was back home in Frankfort, Ky., today awaiting new worlds to conquer.

The Thorobreds, including Coach Lucius Mitchell, were hoping to receive a bid to the National Invitation Tournament which begins Saturday in New York.

"We're ready, Mitchell said after his team had beaten Eastern Michigan 102-82 for the NAIA trophy Saturday night.

Kentucky State's front line consists of 7-foot Elmore Smith, 6-8 Travis Grant and 6-8 William Graham.

Mitchell couldn't hold back the praise for Grant, Graham and Smith, who has announced he will seek \$2 million to join the pros.

Smith got only 11 points in the game against Eastern Michigan but grabbed 15 rebounds and wrecked the Hurons' offense by repeatedly blocking their shots.

Grant made 43 points, 25 in the first half when Kentucky State streaked into a 57-40 lead. Graham got 17 points.

The Thorobreds led all the way. Lindell Reason topped Eastern Michigan's scoring

# High Flying Bucks Lose to Phoenix

By THE ASSOCIATED PRESS The National Basketball Association record for most victories in a season is now fit to be tied ... if the Milwaukee Bucks ever stop losing.

The high-flying Bucks bowed to the Phoenix Suns 125-113 Sunday night, their third straight setback and the longest losing streak since Lew Alcindor joined them last season. With 65 victories, the Bucks can do no better than tie the 68 triumphs posted by Philadelphia several years ago.

Connie Hawkins, who led the Suns with 27 points, helped Phoenix pile up a nine-point halftime lead and even Alcindor's 38-point spree couldn't overcome it.

The Suns kept their slim playoff hopes alive. They trail second-place Chicago by three games in the Midwest Division following the Bulls' 117-104 loss to Boston. The Atlanta Hawks remained 1 1/2 games ahead of Cincinnati in the race for the second playoff spot in the Central Division by beating Philadelphia 108-101 while the Royals dined Cleveland 115-103. Elsewhere, it was Seattle 124, Baltimore 121; Los Angeles 110, Detroit 100 and Portland 122, Buffalo 112.

In the ABA, it was the Floridians 117, Pittsburgh 114; Virginia 139, Kentucky 121; Texas 132, Memphis 123; Indiana 131, Denver 12 and Utah 126, Carolina 103.

Don Nelson, who led all scorers with 36 points, hit seven in a row to give the Celtics a 65-60 lead and it was 73-60 before the Bulls scored again.

Eight points by Walt Hazzard helped Atlanta go from an 86-85 lead to 104-94 against Philadelphia for the Hawks' seventh victory in eight games. Pete Maravich led the Hawks with 25 point and Hazzard had 20 while Archie Clark of the 76ers took game honors with 29.

Tom Van Arsdale scored 11 points and Nate Archibald 10 in the third period as Cincinnati raced from a 57-54 lead to an 85-73 spread against Cleveland. Van Arsdale's 31 points and Archibald's 22 paced the Royals to their fourth straight win. Walt Wesley had 24 for the Cavaliers.

A 13-4 burst late in the third period helped Los Angeles pull away from Detroit. Keith Erickson paced the Lakers with 23 points while Detroit's Dave Bing had 26.

Spencer Haywood tallied an NBA career high 35 points in Seattle's triumph over Baltimore and Jeff Petrie's 21 points led Portland past Buffalo in a game marred by 62 personal fouls and four technicals.

Saturday's scores: Cincinnati 136, Atlanta 127; New York 108, Milwaukee 103; San Diego 121, Baltimore 115; San Francisco 116, Detroit 107; Chicago 111, Phoenix 99.

# Coach Thinks Team Can Do Better

By JERRY ESTILL Associated Press Sports Writer LAFAYETTE, La. (AP) — Coach Beryl Shipley says his Southwestern Louisiana team can do better. Coach Edward Martin of Tennessee State says the Ragin' Cajuns better improve if they expect to get far in the NCAA College Division Basketball Tournament.

"There's no doubt Tennessee State was the best team we've played this year," said Shipley. His team nipped Tennessee State 86-82 Saturday night to win the NCAA South Region and move into the national tournament at Evansville, Ind.

USL plays Assumption Wednesday afternoon. Assumption, 25-1, won the New England Regional title Saturday night by defeating Central Connecticut 105-77.

USL and Assumption join Puget Sound, 20-4; Hartwick, 21-5; Old Dominion, 19-8; Cheyney State, 23-5; Kentucky Wesleyan, 21-6; and host Evansville, 19-8, in the championship round.

Philadelphia Textile, the 1970 college division champion, was eliminated, bowing 60-58 to Cheyney State and LSU-New Orleans, which ended the regular season as the No. 1 team in The Associated Press small college poll, lost to Tennessee State in the opening game at Lafayette and then bowed 107-88 to Louisiana Tech in the consolation finals Saturday night.

## Shoemaker, Ack Ack Win Santa Anita

By ED SCHUYLER JR.  
Associated Press Sports Writer  
Jockey Bill Shoemaker hit on a four-legged comet called Ack Ack and ended up as a star on Santa Anita Handicap Day.

Shoemaker won his seventh Santa Anita Handicap Saturday as Ack Ack once again displayed his blazing speed—this time under 130 pounds—to its fullest in winning the \$15,000 guaranteed race.

In taking his fourth straight stakes, Ack Ack shot into the lead at the start and stayed there for a 1½-length lead over Cougar II, 125, with 90-1 shot The Field third.

Ack Ack, owned by actress Greer Garson and her husband, E.C. "Buddy" Folgelson, covered the 1¼ miles on a slow track in 2:03 and paid a winning mutual of \$3.60 in earning first money of \$100,000. It boosted his career bankroll to \$471,241.

Joe Frazier got beat at the New Orleans Fair Grounds, finishing second to T.A. and J.E. Grissom's Rio Bravo, 112, who equalled the track record of 1:48 4-5 for 1¼ miles in the \$75,000-added New Orleans Handicap.

The winner, ridden by Fernando Valdivia, paid \$27. Herballist, 113, finished behind Joe Frazier, 114, owned by Alahray Stable.

Maribel Blum's New Zealand-bred Broker's Tip II carried 115, including Mike Hole, through on the inside and won the \$52,175 Canadian Turf Handicap at Gulfstream Park by 1¼ lengths over Tudor Edward, 112, with North Flight, 110, third.

The victor paid \$7.60 after racing the 1-18 miles on the grass in 1:41 4-5.

In the \$33,450 Paumonok Handicap at Aqueduct Forum, ridden by Bobby Woodhouse, won the six-furlong sprint, timed in 1:09 4-5, by a nose over Estimator Dave. Personality was third.

In other national features, Pas de Nom, \$12.20, won the \$29,000 Virginia Belle Stakes for 3-year-old fillies at Bowie; Triple Bend, \$6.40, score in the \$28,550 Contra Costa Stakes for 3-year-olds at Golden Gate Fields; Compete Deux, \$47.80, took the \$25,000-added Rebel Handicap at Oaklawn Park and Mediate, \$7, won the \$7,500 Western Handicap at Lincoln Downs.

The Sabres, rebounding off their Saturday debacle, took it out on Minnesota with Ron Anderson's two goals leading the attack.

The older Dryden not only picked up the shutout, the fifth in his NHL career and first this season, but also picked up an assist on Gerry Meehan's first period goal. Buffalo beat Cesare Maniago three times in the opening period, ending a shutout string of 143 minutes for the North Star goalie.

Meanwhile, Ken Dryden, who achieved All-American honors playing his collegiate hockey under Ned Harnness at Cornell, made a successful NHL bow for Montreal by turning back Pittsburgh.

The Rangers got airtight goaltending by Eddie Giacomin to blank Toronto in a match of teams likely to meet in the opening round of next month's Stanley Cup playoffs.

Giacomin stopped 33 shots for his seventh shutout of the season, tops in the NHL. Bruce MacGregor accounted for the only goal of the game in the last minute of the opening period as New York stretched its unbeaten streak to 11 games. For MacGregor, it marked his ninth goal in the last 10 games. He has 17 scoring points over that period.

Bryan Campbell's goal with one minute, 40 seconds left to play, lifted Chicago to its 4-4 tie against St. Louis in a nationally televised game. Stan Mikita scored twice and Chico Maki once for the Hawks, who clinched the West Division crown with their victory Saturday night.

Frank Huck, Wayne Connelly, Bill Sutherland and Craig Cameron scored for the Blues, who have never beaten the Black Hawks in Chicago in their four seasons in the NHL.

Detroit halted a five-game winless string, rallying to whip California and stretch the Golden Seals' winless streak to nine games.

A meteor travels between 10 and 42 miles per second.

## DR. LAWRENCE E. LAMB

### Exercise . . . but Don't Set

## Records

By Lawrence E. Lamb, M.D.

Dear Dr. Lamb—About three years ago I started a jogging program. At first I could jog only one-sixth of a mile. I was almost unable to walk at times because of shin splints. Today, I have very little trouble with shin splints. However, occasionally my knees hurt. My question is: Am I hurting my body? I now jog between four and nine miles, nonstop, depending on how I feel. I cover each mile in approximately nine minutes. Today I jogged eight miles in 72 minutes 15 seconds. I jog on a hard wood floor. It is not canted on the curves. I wear heel cushions in my shoes and two pairs of wool socks. I am 43 years old and inclined to be fat—five feet eight and 165 pounds.

Dear Reader—It is amazing how little exercise some people can do when they first start a program and how they can build up to a very high level of activity. I am sure that your exercise program has done a lot to help your overall health. If you average six miles a day in one year this uses the same amount of calories found in about 50 pounds of fat.

Any regular exercise, particularly if it causes weight-bearing or jarring, contributes to wear and tear of the joints. Ballet dancers get wear-and-tear arthritis of the ankles, baseball pitchers of the elbow. You can minimize this problem by eliminating the jarring. A soft track is much better than a hard one. I think you should have your knee X-rayed and let your doctor see if you are showing any signs of wear-and-tear arthritis.

Walking six miles a day will also do a lot of the same things for you and is less likely to jar the joints or contribute to arthritis in later years. Exercise bicycles also are useful in eliminating the jarring effects of jogging.

Many men in particular seem to like to set records for themselves. It is that old competitive drive again. I am against it. Physics teaches us that to move a given weight a mile requires just as much energy whether it is moved fast or slow. Now the body is a little different but still the advantages you get from setting time records are far outweighed by the dangers it imposes, particularly as a person gets older. A number of joggers have died from heart attacks by pushing themselves against a time factor.

A slow jog or walking will allow a person to enjoy pleasant surroundings. Individuals who are overweight

## WORLD ALMANAC FACTS

William Ladd was an American advocate of international peace who founded the American Peace Society in 1828. The World Almanac notes that in 1840 Ladd wrote "Essay on a Congress of Nations," proposing a world organization to formulate principles of international law and a court of arbitration to settle disputes by judicial decision.

or middle-aged in particular should start exercising with walking and some should stay at that level. Enthusiastic joggers remind me of the old fable of the tortoise and the hare. Most vigorous older people are walkers. Some are more enthusiastic tortoises than others but they are tortoises, not hares. (NEWSPAPER ENTERPRISE ASSN.)

Please send your questions and comments to Lawrence E. Lamb, M.D., in care of this paper. While Dr. Lamb cannot answer individual letters, he will answer letters of general interest in future columns.

By Oswald & James Jacoby  
Jim: "Tell our readers something about the development of the modern no-trump!"

Oswald: "It started when I married the tennis champion of Texas back in 1932. She wanted to learn bridge in a hurry. Everyone used honor tricks but I decided to teach your mother with the use of point count. There was little difference between my 1932 no-trump and standard American of 1971. We played all responses except two no-trump as one round forces just as standard American does. The Stayman convention arrived some 10 years later."

Jim: "Anyone who doesn't use some form of Stayman today is not getting good value out of his no-trump openings. We use a non-forcing form in JACOBY MODERN because it's simple."

Oswald: "The basis of Stayman is that the two-club response to a one no-trump opening is artificial and forcing. In JACOBY MODERN the force is for one round only. Partner rebids two of a four-card major suit; with no four-card major he rebids two diamonds and responder takes it from there on."

Jim: "This hand shows two advantages of Stayman. Three no-trump goes down one trick since the defense takes three hearts and two clubs. If North plays at four spades a club lead by East will give the defense two club tricks and a ruff to start with and a heart trick later. When South plays four spades he makes it since defenders can't ruff that club. (NEWSPAPER ENTERPRISE ASSN.)

## Faubus Says Tax Program Reasonable

PINE BLUFF, Ark. (AP) — Former Gov. Orval E. Faubus said here Saturday that Gov. Dale Bumpers' tax program seems to be "reasonable."

But, Faubus said that increasing the cigarette tax might encourage bootlegging cigarettes from other states where the tax is lower.

Some legislators had said they opposed the increase, because it would encourage people to bring cigarettes in from other states where the tax is not as high to sell.

The former governor also said that Bumpers appears to have been "quite successful in his work with the legislature."

Bumpers and Faubus faced each other in a runoff election for the Democratic gubernatorial nomination.

Faubus was in Pine Bluff to promote his upcoming book, "In a Faraway Land." The book, dealing with his experiences under Gen. George Patton during World War II, is scheduled to go to the publishers in July.

He said he plans to write other books, including one on the 1957 Little Rock school crisis, which he says has not been treated well in other books.

Faubus repeated statements that he had no plans for a future political career, but he did not close the door entirely.

"One never knows what you are going to get into," he said.

## Jail Death Ruled Suicide

ARKADELPHIA, Ark. (AP) — A coroner's jury ruled suicide in the death of Gerald J. Harknider, 34, of Arkadelphia, who was found dead in a Clark County jail cell Friday night.

Officials said he apparently hung himself with his belt and a shoestring.

Harknider, a security guard at Ouachita Baptist University, had been taken into custody for questioning in connection with several burglaries at the college.

A former resident of Trumann and Harrisburg, Harknider had received a five-year suspended sentence in Circuit Court in Harrisburg in 1967 for forgery and uttering.

## Soviet Reds Cite Plight of People

MOSCOW (AP) — The Soviet Communist party's Central Committee has called for greater public discussion of local economic and social conditions. It also accused party and government bodies of ignoring the needs and complaints of the working people.

In a major economic decree published Sunday in Pravda, the party organ, the nation's leaders made it clear that party officials should not take over government functions.

The decree equally censured the Soviets—the local government organizations—for failing in their responsibility to improve housing construction working conditions, trading enterprises and such social services as public transport, hospitals, sports stadiums and theaters.

In addition, the decree ordered that more money be allotted to the Soviets.

In what is believed to be a new notion in Soviet economics, the decree said that part of the profits of economic organiza-

tions at the republic, provincial and regional levels must be transferred to the budgets of the district and city Soviets.

Local government organizations currently receive money from the state budget and local taxes.

Published in full by Pravda and Saturday's edition of Izvestia, the government newspaper, the decree said that the national and provincial councils of ministers would take—at some future date—what amounts and from the "revenue sharing" would entail.

The Central Committee also called for more localized control of collective and state farms as well as other economic enterprises.

"The Soviets," the decree stated, "should ... fight against bureaucracy and achieve correct and timely implementation of proposals, statements and complaints of the working people."

Stressing the agricultural sector of the economy, the decree declared that in "a number of places the Soviets still do not show the necessary initiative and persistence for further improving the daily life of farmers."
